

["Social Security will be preserved"](#)

KoreaTimes.com | August 05, 2010

Nancy Pelosi, Speaker of the House of Representatives, pledged to preserve Social Security, a social safety net for retired Americans.

Representative Xavier Becerra (CA-31), the host of the Social Security Forum dismissed claims that Social Security is insolvent. "Social Security currently has an asset of \$2.5 trillion that it holds. Social Security will do the same thing for our seniors in the future that it has done for them in the past."
